**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they offered me a better service for a more affordable rate. My internet speeds are now faster and much more reliable using fiber and with my current provider. More competition is better, and as a consumer, the only way we are going to get better options is to support competition among broadband providers.
